[Dachau Memorial Site](#)

Just northwest of Munich lies KZ gedenkstaette Dachau, the infamous concentration camp that became the model for all other camps established by the Nazi regime across Europe. From its famous motto, inscribed in iron over the camp entrance, "Arbeit Macht Frei" (work makes (you) free), to its now-restored barracks, and to memories of its fine camp orchestra, a visit to Dachau gives insight into the horrors visited on political prisoners, Jews, Gypsies and others prior to and during the Second World War. While it was in operation, more than 200,000 prisoners from over 30 countries passed through Dachau's main gate. U.S. Forces liberated the camp in April, 1945.
